ABOUT US

Founded in 1980, the Italian Cultural Institute in Washington, DC is an official branch of the Italian government. Its mission is to promote the Italian language and culture in the United States through the organization of cultural events.

WHAT WE DO

Through a variety of events and programs held at the Istituto and other Washington area venues, we strive to share information about historical and contemporary aspects of the Italian culture and society.

Among our activities are: lectures, exhibits, musical programs, film series, and academic exchanges. To broaden our audience the Istituto regularly joins local cultural and academic institutions in co-sponsoring events of mutual interest.

To receive our invitations please join our e-mailing list at iicwashington.info/join.
